We can't do it instead of the TCT since it will be four weeks since our last one. We could do it as part of the TCT or perhaps following the LWG management meeting - though the latter option may conflict with folks getting ready for the CAG. How much time do you want?

Can we do it in conjunction with or instead of the TCT that day?

I think it would be great if we could sit down and talk with the Trustees. Unfortunately, the morning of the 13th conflicts with the TCT meeting.

January 13 meeting with Trustees?

Since we haven't had an MOU partners meeting this year, the Trustees are hoping we could meet with you on January 13 in the morning before the managers meeting. In particular, the Trustees would like to discuss the schedule and its potential implications for our NRDA work and getting to settlements.
